NOTICE OF GENERAL ELECTION AND SAMPLE BALLOTS November 4, 2014

OFFICE OF THE ADAMS COUNTY CLERK TO THE VOTERS OF ADAMS COUNTY:

Notice is hereby given of a general election to be held in the several wards in Adams County, on the 4th of November, 2014, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office and under the appropriate party or other designation, each in its proper column, together with the referendum question submitted to a vote, in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, a voter shall state his or her name and address and sign the poll book before being permitted to vote. If a voter is not registered to vote, a voter may register to vote at the polling place serving his or her residence if the voter provides proof of residence. Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the voter shall retire alone to a voting booth or machine and cast his or her ballot except that a voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward. An election official may inform the voter of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

Where hand-count paper ballots are used or tactile ballot marking device (vote-pad), the voter shall make a mark **(X)** in the square next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of his or her choice in the space provided for a write-in vote. Obtain from inspectors, the assistive device and any audio or dexterity aids if required.

Where touch screen voting systems are used, the voter shall touch the screen next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of his or her choice in the space provided for a write-in vote.

Where an optical scan voting system is used, the voter shall connect the arrow next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of his or her choice in the space provided for a write-in vote, and connect the arrow on the write-in line. After an official optical scan ballot is marked, it shall be inserted in the security sleeve so the marks do not show. The voter shall then insert the ballot in the voting device and deliver the ballot to an inspector for deposit. On referendum question, the voter shall select "yes" if in favor of the question, or shall select "no" if opposed to the question. **Note:** A voter must vote for Governor and Lieutenant Governor jointly on one ticket. A vote for Governor is also a vote for Lieutenant Governor. To vote for persons whose names do not appear on the ballot, write the names of individuals for both offices on the lines provided.

The vote should not be cast in any other manner. Not more than five minutes' time shall be allowed inside a voting booth. Sample ballots or other materials to assist the voter in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

If a voter spoils a **paper** ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official who shall issue a proper ballot in its place. The voter may spoil a touch screen ballot at the voting station before the ballot is cast.

After casting his or her vote, the voter shall leave the voting booth, properly deposit the ballot, and promptly leave the polling place.

After an official **hand-count paper ballot** is marked, it shall be folded so that the inside marks do not show, but so the printed endorsements and inspectors' initials on the outside do show. The voter shall then deposit his or her folded ballot in the proper ballot box or deliver the ballot to an inspector for deposit, and leave the polling place promptly.

After an official **touch screen** ballot is cast, the voter shall leave the polling place promptly. A voter may select an individual to assist in casting his or her vote if the voter declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English, or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.
