NOTICE OF SPRING ELECTION AND PRESIDENTIAL PREFERENCE VOTE AND SAMPLE BALLOTS APRIL 5, 2016

OFFICE OF THE ADAMS COUNTY CLERK TO THE VOTERS OF ADAMS COUNTY:

Notice is hereby given of a Spring Election and a Presidential Preference Vote to be held in Adams County, on the 5th of April, 2016, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, in the sample ballots below.

INFORMATION TO VOTERS

Upon entering the polling place, a voter shall state his or her name and address, show an acceptable form of photo identification and sign the poll book before being permitted to vote. If a voter is not registered to vote, a voter may register to vote at the polling place serving his or her residence, if the voter presents proof of residence in a form specified by law. Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the voter shall retire alone to a voting booth or machine and cast his or her ballot, except that a voter who is a parent or guardian may be accompanied by the voter's minor child. An election official may inform the voter of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

Where **touch screen** voting systems are used, the voter shall touch the screen at the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of his or her choice in the space provided for a write-in vote. Within the party of his or her choice, the voter shall touch the screen at the name of the candidate of his or her choice or shall, in the alternative, touch the screen at the words "Uninstructed Delegation", or type in the name of a person of his or her choice in the space provided for a write-in vote. A voter may cast only one vote in the Presidential Preference Primary. The vote should not be cast in any other manner. Not more than five minutes' time shall be allowed. Sample ballots or other materials to assist the voter in marking his or her ballot may be used. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked. The voter may spoil a touch screen ballot at the voting station before the ballot is cast. After an official touch screen ballot is cast, the voter shall leave the polling place promptly.

Where **paper ballots** are used, the voter shall make a mark (X) in the square next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of his or her choice in the space provided for a write-in vote. Within the party of his or her choice, the voter shall make a mark (X) in the square next to the name of the candidate of his or her choice or shall, in the alternative, make a mark (X) in the square next to the words "Uninstructed delegation", or write in the name of a person of his or her choice in the space provided for a write-in vote. When using a tactile ballot marking device (vote-pad) to mark a paper ballot, the voter shall obtain from the inspectors, the assistive device and any audio or dexterity aids if required. The voter shall fill in the square next to the name of the candidate for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of his or her choice in the space provided for a write-in vote, and fill in the square on the write-in line. Within the party of his or her choice, the voter shall fill in the square next to the name of the candidate of his or her choice or shall, in the alternative, fill in the square next to the words, "Uninstructed Delegation", or write in the name of a person of his or her choice in the space provided for a write-in vote and fill in the square next to the write-in line. After an official paper ballot is marked, it shall be folded so the inside marks do not show, but so the printed endorsements and inspectors' initials on the outside do show. The voter shall deposit the voted ballot in the ballot box or deliver the ballot to an inspector for deposit, and leave the polling place promptly.

Where an **optical scan** voting system is used, the voter shall fill in the oval or connect the arrow next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of his or her choice in the space provided, and fill in the oval or connect the arrow on the write-in line. Within the party of his or her choice, the voter shall fill in the oval or connect the arrow next to the name of the candidate of his or her choice or shall, in the alternative, fill in the oval or connect the arrow next to the words, "Uninstructed Delegation", or write in the name of a person of his or her choice for a candidate in the space provided for a write-in vote and fill in the oval or connect the arrow next to the write-in line. After an official optical scan ballot is marked, it shall be inserted in the security sleeve so the marks do not show. The voter shall insert the ballot in the voting device or ballot box, and discard the sleeve, or deliver it to an inspector for deposit. The voter shall leave the polling place promptly.

If the voter spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official, who shall issue a proper ballot in its place.

A voter may select an individual to assist in casting his or her vote if the voter declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English, or that due to a disability, is unable to cast his or her ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.
