Chair John West called the meeting to order

Roll Call: Jodi Helgeson, Cindy Phillippi, Sue Theisen, Dawn McGhee, Phil McLaughlin, Jani Zander, Jon Galloy, Chris Murphy, Patrick Kotlowski, Bill Parr, Jane Gervais and John West..

**Motion** by Bill, seconded by Cindy to approve the agenda. Motion carried unanimously.

**Motion** by Bill, seconded by Jani to approve minutes . Motion carried unanimously

Jon Galloy introduced himself and brought committee up to speed on what he is doing so far. Committee indicated they do not need a written report. Jon also updated committee on platbook contract with 4-H Leaders Association. It was intended that new aerial photos from USDA were going to be used in platbook but with sequester, they will not be done in 2013. There is also concern with who is going to be working on platbook as Tyler wishes Jon to take lead. Jon is making himself familiar with Tyler's procedures but it takes time to do that along with his other workload. Motion by Bill, seconded by Cindy to suggest to 4-H Leaders Association to wait a year rather than publish same data again. Motion carried. Jodi will pass that information onto 4-H Leaders Association.

Jon has made the State Historical Society Digital Geographic Data Sets available on the M drive for those who have access along with the disclaimer and forms that need to be completed.

Discussion on update to tax/assessment web system. Dawn discussed need for mirror server which may take some time. Jodi had discussed link with MSA who indicated it should just be a matter putting the URL link in. Credit card change to Lexis/Nexis will still need to be reviewed. Since there were still some unresolved issues, it was suggested that a small group meet to discuss concerns (ROD, Treas, RPL, P & Z and MIS). Jodi will ask ADC if invoice for this years hosting can be paid in part since it is due in early May. They also host our domain name and we don't want to lose that. (note- Jodi was able to negotiate a 6 month invoice from ADC).

Jodi presented 2013 Base Budget/Education Grant information. The amount that Adams County is eligible for is \$9,302. She asked that if someone has a project plan to please bring it to the next meeting for discussion and possible action. Continuation of surveyors project is one project.

Next meeting will be as soon as we can get items reviewed to discuss and possible action on web services. Jodi will send out doodle calendar to group as soon as she gets information from Dawn as to status.

Motion by Trena, seconded by Jodi to adjourn

Meeting was adjourned at 3:45 PM

Respectfully submitted – Jodi Helgeson – Acting Secretary
