Rezone Procedure

1. Applicant verifies current zoning in the County Planning & Zoning Department.
2. If a zoning change is desired, applicant obtains a rezone packet from the Planning & Zoning Department.
3. If the Town has a Plan Committee (or Commission):
 - The applicant appears before the Plan Committee. The Plan Committee adequately posts the meeting (as one would post a Town Board meeting). The Plan Committee hears the request and refers to their Comprehensive Plan to determine if the request is appropriate and/or reasonable with regard to their overall plan and Future Land Use Plan Map and then makes recommendation to the Town Board⁽¹⁾. The Town Board posts the request on their notice, discusses the request, votes and signs the Town Participation form and indicates they either object or do not object to the request.
 - Whether or not the Town provides a signed Town Participation form, the applicant is entitled to a hearing at the County.

If the Town does not utilize a Plan Committee:

- The applicant appears before the Town Board. The Town Board posts the request on their notice, hears and discusses the request and refers to their Comprehensive Plan to determine if the request is appropriate and/or reasonable with regard to their overall plan and Future Land Use Plan Map, votes and signs the Town Participation form and indicates they either object or do not object to the request.
 - Whether or not the Town provides a signed Town Participation form, the applicant is entitled to a hearing at the County.
4. The applicant is responsible to see that the Planning & Zoning Department receives all required paperwork for the request including, but not necessarily limited to: The Petition for Rezone Application, Town Participation Form, maps etc.
 - Property owner or authorized agent must sign all applications.
 5. Once all required paperwork is submitted to the Department, the applicants' petition will be placed on the County Planning & Development Committee public hearing agenda. The paperwork must also be received by the Department deadline for publishing the notice. The Department is responsible for all required class II notice publishing and mailing of notices.
 6. The County Planning & Development Committee will hear the request, and refer to the Adams County Comprehensive Plan, relevant ordinances etc. to determine if the request is appropriate and/or reasonable with regard to the overall plan, Future Land Use Plan Map and general welfare, vote and forward recommendation of either approval or denial to the full County Board.
 - The Committee may table a request if further information is required.
 - If an agent is to represent the applicant (landowner), we need that statement in writing from the applicant.
 7. The County Board will take action at the next County Board meeting by one of the following:
 - Vote yes to the Committee recommendation.
 - Vote no to the Committee recommendation.
 - Table the request if more information is required.
 - Refer the matter back to the Planning & Development Committee.

⁽¹⁾ If a rezone request is approved that is not consistent with the Comprehensive Plan, the Plan must be amended.

NOTE: In the interest of saving the applicant time by expediting the process, the Planning & Zoning Department will allow applicants to be placed on the County Planning & Development Committee hearing agenda before they meet with the Town. However, the Department must have the completed Town Participation Form prior to the hearing at the County.
